

## S&T Mutual Water Company

2024 Bi-Monthly Water Rates

One water unit = 1,000 gallons

Basic Water Charge does not include Assessment or Leak Penalties

As adopted by the S&T Board of Directors

Penalty	Penalties for unfixed water leak / excessive use (per Resolution 2014-3B)
Notification	First occurrence (notification on water bill)
Warning	Second consecutive occurrence (warning on water bill)
\$ 150	three or more consecutive warnings for water leak or excessive use
\$ 10	A monthly assessment is applied to water billings in addition to the basic water charge per S&T Resolution 2016-3

S&T Mutual Water Company Shareholders (customers) have real time access to their water usage in 15 minute intervals, 24 hours per day, using the Eye-On-Water application. Please use this application to minimize leaks and other accidental water use which can result in excessive water demand and cost.
