Dear Shareholder,

S&T Mutual Water Company will hold its Annual Meeting on Thursday, July 25, 2025. At this year's meeting we will be electing members to the Board of Directors who manage the affairs of the company.

Qualification for a board position:

Our bylaws state that to serve on the Board you must be a property owner within the Sunset Terrace tract.

What is it like to serve on the board?

Since the beginning of S&T Mutual it has been the tradition that Board members provide oversight for company operations and in addition to their service on the Board participate in the physical operation of the company as their skills and abilities allow. Board members get paid as independent contractors and receive a \$100 stipend for each board meeting attended and get paid on an hourly basis for any approved office work or field work. This practice has enabled us to keep operating costs low as compared to other water purveyors.

Board members serve a two-year term and can run for re-election at the end of their term.

If you have questions regarding the water company or serving as a Director, please contact the company and ask for a meeting with a director or a tour of the distribution system.

How do I apply for a Director position?

If you would like to serve on the Board, please complete the form on the next page. This form is provided as a fillable form in electronic messages and as a paper form by US mail. Return this completed form to the company by one of the following methods:

- By US Mail to the post office box address appearing at the top of this form
- Or, drop it into our private company mailbox on the corner of Monarch Lane and Glenn Street.
- Or, you may send a completed form by email to the company email address.

Deadline for applications:

Applications must be received by June 25th, 2026 for use to place your name on the ballots that will be sent to all shareholders. You may type directly into this PDF form and you may attach additional sheets if necessary. *Note that what is submitted will be directly shared on the ballots.*
