SUBJECT: S & T Mutual Water Company service area

The S & T Mutual Water Company (S&T) was incorporated in 1961 for providing potable water service to the new Sunset Terrace subdivision in Los Osos. The Service Area of the water company is as described in the S&T Articles of Incorporation, Section 8. The red boundary line provided on the map in Figure 1 shows the service area as described in those articles of incorporation.

The more detailed service area map shown in Figure 2 shows 2 hold out areas inside the S&T service area which are being served by the Golden State Water company. The blue area in the South part of the S&T service area is the Monarch Grove neighborhood which receives potable water service from Golden State Water company.

MEMO

The purple area, located in the north east part of the S&T service area is the Sea Pines Hotel and the Sea Pines Pro Shop. These two purple areas receive potable water service from Golden State Water Company.
